

## **12/7/21 "From Bench to Cribside: Discovery BCH Oakland"**

Presented by: Kelley Meade, SOM Associate Dean, BCH Oakland – Moderator  
Angela Rivers, MD – Hematology; Nirav Pandya, MD - Director, Center for Sports Medicine for Young Athletes; and  
Aaron Jensen, MD – Pediatric Trauma Surgery

### Objectives:

1. Recognize pharmacological advances that address autophagy pathway dysregulation in SCD as a potential therapeutic target.
2. Compare bone-tendon-bone against hamstring autograft for ACL reconstruction in adolescent patients.
3. Collaborate with an inter-professional team to develop and implement innovative interventions that address clinical challenges encountered in daily practice.

## **12/14/21 "Improving Diabetes Care with Technology"**

Presented by: Eda Cengiz, MD, FAAP

Endocrinology  
UCSF Benioff Children's Hospitals

### Objectives:

1. Identify barriers in reaching treatment goals of Type 1 Diabetes Mellitus
2. Compare and contrast how different types of diabetes technology systems could address challenges in Type 1 Diabetes Mellitus treatment and optimize clinical outcomes.

## **12/21/21 and 12/28/21 No Grand Rounds**

**Grand Rounds is by Zoom only. 8-9 am. Contact [cristina.fernandez@ucsf.edu](mailto:cristina.fernandez@ucsf.edu) for log-in information**

UCSF Benioff Children's Hospital Oakland is accredited by the California Medical Association to provide continuing medical education for physicians.

UCSF Benioff Children's Hospital Oakland designates this live activity for a maximum of 1 *AMA PRA Category 1 Credit™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

For CME credit, evaluations must be completed and sent to [Cristina.Fernandez@ucsf.edu](mailto:Cristina.Fernandez@ucsf.edu) by 6pm the day after Grand Rounds.
