

## 2/3/26 "Chief Complaint: 7 Weeks of Cough"

Presented by: Kensho Iwanaga MD, MS

Pediatric Pulmonologist  
UCSF Benioff Children's Hospitals

*Planners expect learners to:*

1. Identify the mechanisms and pathogenesis of chronic cough in children
2. Utilize an evidence-based standardized approach in the evaluation of chronic cough in children.
3. Recognize that social inequalities can have an impact on the occurrence and outcomes of chronic cough in children.

## 2/10/26 "Ankyloglossia: Speech, Feeding, and Dentition"

Presented by: UCSF Benioff Children's Hospital Oakland

**Heidi Hennig-Hance**, Speech Pathologist, Pediatric Rehab Department; **Jaclyn Kukoff**, Speech Pathologist, Craniofacial Center; **Ray E Stewart DMD, MS**, Professor, Department of Surgery, Assoc. Dental Director

*Planners expect learners to:*

1. Recognize the presence of hypertrophic frenula. (RS)
2. Recognize complexity of treatment decisions based on current best practices in pediatric dentistry. (RS)
3. Provide culturally relevant discussions and consultations for frenotomy prior to surgical referral. (HH)
4. Identify when it is appropriate to refer a child with tongue-tie for assessment with a speech language pathologist. (JK)

## 2/17/26 "Lost in Transition: Optimizing Care of Young Adults with Diabetes"

Presented by: Tina Hu, MD

Pediatric Endocrinologist  
UCSF Benioff Children's Hospital San Francisco

*Planners expect learners to:*

1. Recognize that young adults with diabetes are a vulnerable population during transition from pediatric to adult care.
2. Define factors contributing to suboptimal transition outcomes.
3. Identify strategies that support successful transition.
4. Summarize resources at UCSF and beyond to support transition.

## 2/24/26 "Pediatric Hearing Loss"

Presented by: Kara Brodie, MD

Pediatric Otolaryngologist  
UCSF Benioff Children's Hospital Oakland

*Planners expect learners to:*

1. Explain the 1-3-6 Early Hearing Detection and Intervention Benchmarks.
2. Describe the impacts of untreated hearing loss on spoken language, social, and academic development.
3. Articulate the methods for identifying congenital cytomegalovirus.

**Grand Rounds is by Zoom only. 8-9 am. Contact [cristina.fernandez@ucsf.edu](mailto:cristina.fernandez@ucsf.edu) for log-in information**

UCSF Benioff Children's Hospital Oakland is accredited by the California Medical Association to provide continuing medical education for physicians.

UCSF Benioff Children's Hospital Oakland designates this live activity for a maximum of 1 *AMA PRA Category 1 Credit™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

For CME credit, evaluations must be completed and sent to [Cristina.Fernandez@ucsf.edu](mailto:Cristina.Fernandez@ucsf.edu) by 12pm the Friday after Grand Rounds.
