

## **10/7/25 "The Pop Stop: A Pediatrician's Guide to Acne and Acne Mimics"**

Presented by: Regina-Celeste Ahmad, MD, PhD

Associate Clinical Professor, Pediatric Dermatology  
UCSF Benioff Children's Hospital Oakland

*Planners expect learners to:*

1. Describe the epidemiology, clinical features, and developmental considerations of acne in pediatric patients, including preadolescent and adolescent presentations.
2. Recognize and apply evidence-based treatment guidelines for pediatric acne management, including appropriate use of topical agents, oral antibiotics, and hormonal or isotretinoin therapy.
3. Become familiar with emerging medication causes of acne and common acne mimics, including initial management strategies.

**This presentation will not be recorded**

## **10/14/25 "Supporting Patients with Autism: A Practical Toolkit for Providers"**

UCSF Benioff Children's Hospital Oakland Presents

Sally Cantrell, PhD, PsyD

Psychologist

UCSF Department of Early Intervention Services

and

Marielle Ramsay, LCSW

UCSF Department of Psychiatry and Behavioral Sciences

*Planners expect learners to:*

1. Use the *Autism Color Wheel* with families to identify patients' unique strengths and challenges.
2. Reference the guide, *How to Get Evaluation and Services for Autism*, to help families navigate systems of care such as regional centers, insurance, school districts and benefits.
3. Use the *Checklist for Linking Your Patient to Autism Services* and the *School Evaluation Request Letter* to assist families in establishing links to services and supports.

## **10/21/25 "Holistic Interventions in the Pediatric and Adolescent Patient"**

Presented by: Cora Breuner, MD, MPH

Professor Department of Pediatrics Adolescent Medicine Division,  
Adjunct Professor Orthopedics and Sports Medicine  
Seattle Children's Hospital University of Washington

*Planners expect learners to:*

1. Adopt integrative medicine in common pediatric conditions.
2. Promote evidence-based approaches to holistic interventions in children and adolescents.

**Grand Rounds is by Zoom only. 8-9 am. Contact [cristina.fernandez@ucsf.edu](mailto:cristina.fernandez@ucsf.edu) for log-in information**

UCSF Benioff Children's Hospital Oakland is accredited by the California Medical Association to provide continuing medical education for physicians.

UCSF Benioff Children's Hospital Oakland designates this live activity for a maximum of 1 *AMA PRA Category 1 Credit™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

For CME credit, evaluations must be completed and sent to [Cristina.Fernandez@ucsf.edu](mailto:Cristina.Fernandez@ucsf.edu) by 12pm the Friday after Grand Rounds.

## **10/28/25 "Medical and Behavioral Aspects of 22q11.2 Deletion Syndrome (22q11.2DS)"**

Presented by: Kathleen Angkustsiri, MD, MAS

Medical Director, 22q Healthy MINDS Clinic; Professor of Clinical Pediatrics; Program Director, Developmental-Behavioral Pediatrics Fellowship  
UC Davis MIND Institute / UC Davis Medical Center

*Planners expect learners to:*

1. Utilize published guidelines for medical management of patients with 22q11.2DS.
2. Recognize the increased risk for developmental, behavioral, and mental health conditions in individuals with 22q11.2DS.
3. Identify 22q 11.2 DS resources for providers and families.

**Grand Rounds is by Zoom only. 8-9 am. Contact [cristina.fernandez@ucsf.edu](mailto:cristina.fernandez@ucsf.edu) for log-in information**
