

4/2/24 "Fetal Alcohol Spectrum Disorders (FASDs)"

Presented by: Noemi Alice Spinazzi, MD, FAAP

Medical Director, Down syndrome clinic (Charlie's Clinic),
UCSF Benioff Children's Hospital Oakland; Primary Care;
Associate Clinical Professor - UCSF School of Medicine; Director,
Developmental and Behavioral Pediatrics resident rotation;
Chair - Continuing Medical Education Committee, BCH Oakland

Planners expect learners to:

1. Identify developmental and functional concerns in children with FASDs.
2. Examine best practices in caring for individuals with FASDs from infancy to adolescence.
3. Identify support services and resources for patients, families, and clinicians.

4/9/24 "Diagnosis and Management of Hypertension in Childhood"

Presented by: Kristen Favel, MD, MPH

Pediatric Nephrologist
UCSF Benioff Children's Hospital San Francisco

Planners expect learners to:

1. Initiate a comprehensive evaluation for hypertension in children with elevated blood pressure.
2. Implement high-impact lifestyle changes in children at risk for or diagnosed with hypertension.
3. Initiate medical management and monitor children at risk for or diagnosed with hypertension.

4/16/24 "From Burnout to Benefit: Reimagining the Role of the Electronic Health Record to Support Clinical Care"

Presented by: Julia Adler-Milstein, PhD

Professor - Hospital Medicine
Director of the Center for Clinical Informatics & Improvement
Research (CLIIR)
UCSF Health

Planners expect learners to:

1. Examine the evidence for how the EHR contributes to clinician burnout.
2. Identify concrete opportunities for how the EHR could be redesigned to better support clinical work.
3. Integrate broad sources of EHR data including EHR metadata into QI and research efforts.

4/23/24 "Children's Health and Climate Change: Supporting Physical and Mental Health"

Presented by:

Talitha Amadea Aho, BCC, Chaplain – UCSF Benioff Children's Hospital Oakland *and*
Naomi Bardach, MD, MAS, Pediatrician - UCSF Department of Pediatrics

Planners expect learners to:

1. Describe the multiple roles of the pediatric clinician in addressing climate change and health and identify potential areas for action, including considerations of implicit bias.
2. Describe common mental health issues related to the climate crisis.
3. Identify patients in spiritual crisis related to climate change and refer them for appropriate spiritual care support.

Grand Rounds is by Zoom only. 8-9 am. Contact cristina.fernandez@ucsf.edu for log-in information

UCSF Benioff Children's Hospital Oakland is accredited by the California Medical Association to provide continuing medical education for physicians.

UCSF Benioff Children's Hospital Oakland designates this live activity for a maximum of 1 *AMA PRA Category 1 Credit™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

For CME credit, evaluations must be completed and sent to Cristina.Fernandez@ucsf.edu by 12pm the Friday after Grand Rounds.

4/30/24 "Why Do Pediatric Asthma Guidelines Keep Changing? Will Change Improve Outcomes?"

Presented by: Fernando Urrego, MD, MPH

Pediatric Pulmonologist

UCSF Benioff Children's Hospital San Francisco

Planners expect learners to:

1. Describe key changes in asthma guidelines that pertain to pediatric patients.
2. Apply recommended guidelines in patient care.
3. List barriers to implementation of asthma guidelines.
