

11/4/25 "A Practical Introduction to Supported Decision Making"

Presented by: Eileen Crumm, PhD, MPA

Executive Director
Family Resource Navigators
San Leandro, CA

Planners expect learners to:

1. Communicate with patients and families about the option of supported decision making as an alternative to conservatorship for youth with developmental disabilities.
2. Provide practical advice for young people and their families on how to get started with supported decision making.

11/11/25 "Hot Takes in Pediatric Stewardship: What You Can't Afford to Miss This Year"

Presented by: Prachi Singh, DO

Pediatric Infectious Disease Specialist
UCSF Benioff Children's Hospital Oakland

Planners expect learners to:

1. Apply recent evidence in pediatric antimicrobial stewardship to optimize antibiotic prescribing, including duration of therapy for common infections such as urinary tract infection.
2. Evaluate the current role of macrolides in the management of community-acquired pneumonia in children.
3. Interpret the utility and limitations of rapid diagnostic tests, such as respiratory viral panels and gastrointestinal pathogen panels in everyday practice.

11/18/25 "The Evidence Is In—Now What? Translating Guidelines into Clinical Practice"

Presented by: Deborah Franzon, MD

Pediatric Critical Care Specialist
Executive Medical Director, Quality and Patient Safety
UCSF Benioff Children's Hospital Oakland

Planners expect learners to:

1. Identify and critically appraise guidelines: Recognize high-quality, evidence-based clinical practice guidelines and the importance of assessing the strength, level, and quality of the evidence that supports each recommendation.
2. Assess applicability to patient context: Determine how a specific guideline applies to pediatric patients, considering factors such as age, specific conditions, and local context to bridge the gap between general recommendations and individual patient needs.
3. Develop implementation strategies: Identify and use practical strategies for integrating guideline recommendations into daily workflows, including tools and techniques to overcome barriers to implementation and facilitate evidence-based decision-making.
4. Implement a process of evaluation and improvement: Identify ways to establish methods for evaluating the impact of guideline implementation on patient outcomes and continuously refine evaluation and improvement.

11/25/25 "Happy Thanksgiving" No Grand Rounds

Grand Rounds is by Zoom only. 8-9 am. Contact cristina.fernandez@ucsf.edu for log-in information

UCSF Benioff Children's Hospital Oakland is accredited by the California Medical Association to provide continuing medical education for physicians.

UCSF Benioff Children's Hospital Oakland designates this live activity for a maximum of 1 *AMA PRA Category 1 Credit™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

For CME credit, evaluations must be completed and sent to Cristina.Fernandez@ucsf.edu by 12pm the Friday after Grand Rounds.
